SHELTON STATE WOMEN'S

Coach's Bio...

Nellie Christian
Women's Soccer Coach
Shelton State Community College

An Atlanta native, Nellie Christian has played soccer since the age of four. After playing for a local select team and her high school, she graduated from Brookwood High School (Snellville, Georgia) in 1994. In the fall of 1994, Nellie attended The University of Minnesota where she was the starting sweeper. While with the Golden Gophers, she was selected for the 1994 Sportsmanship Award and 1995 Big Ten All-Academic Team. The University of Minnesota Women's Soccer Team won the 1995 Big Ten Women's Soccer Championship. For her Junior and Senior seasons, Nellie transferred to The University of Alabama and was once again the starting sweeper. The Crimson Tide participated in the SEC tournament in both 1996 and 1997 providing a strong showing in both tournaments. Individually, in 1996, Nellie made the National Soccer Coaches Association of America All-Central Team, was named WTTO Player of the Week, served as Team Captain, and was awarded The Coaches' Award. In 1997, Nellie made the SEC All-Tournament Team, NSCAA All-Central Team, and was named Most Valuable Player at

The University of Alabama. Nellie finished her career with the Crimson Tide in 1997, and since that time has been a member of the Shelton State Community College Women's Soccer Coaching Staff. She became the full time head coach in 2001.

Nellie has a Bachelor of Science in Education and a Master of Arts in Higher Education Administration. She is married to Hunter Christian, Ed.D. and has a 3-month old daughter, Reagan Kiley.

The future is looking bright!

2002 Season Outlook

This is definitely the most talented and most fit class to step onto Shelton State's soccer field. After a grueling week of three-a-days, and an extensive pre-season, the girls will head into their first game of the season against Meridian Community College, eager to test their limits.

The 2002 squad is led by sophomore captain Michelle Khalilian and freshman captain Barbie Batey. Both players bring a tremendous amount of leadership and skill to the field. Look for both players to be key members of the attack.

Defensively, Shelton State will be led by

Huntsville native Dottie Sloan and Goalkeeper Teresa Herring. A solid defensive unit that communicates effectively and keeps the ball out of the net is the goal.

Look for this year to be one of the most exciting yet as the Shelton State Community College Women's Soccer Program continues to grow. The potential for great success this season is certainly inside the minds, hearts, and cleats of each player. Coach Nellie Christian's job is to unleash that potential.
